

## YHA Snowdon Llanberis – Access Statement

### **Introduction**

If you're tackling Yr Wyddfa (Snowdon), the Llanberis path starts near to this great Eryri (Snowdonia) accommodation. Mountain bikers, climbers and walkers are spoilt for choice at this picturesque hostel. It's also close to Blue Flag beaches on the Welsh coast – ideal for school trips, family holidays or just a weekend getaway!

This three-storey building is located on the lower slopes of Yr Wyddfa (Snowdon) in a semi-rural location just outside the village of Llanberis. Unfortunately, none of our bedrooms or bathrooms meet modern standards of accessibility.

We look forward to welcoming you. If you have any queries or require any assistance, please phone 01629 592700 or email [customerservices@yha.org.uk](mailto:customerservices@yha.org.uk). You can view photos of the hostel at [www.yha.org.uk/hostel/yha-snowdon-llanberis](http://www.yha.org.uk/hostel/yha-snowdon-llanberis).

- The hostel's location can be viewed on YHA's website at [www.yha.org.uk/hostel/yha-snowdon-llanberis/directions](http://www.yha.org.uk/hostel/yha-snowdon-llanberis/directions).

### **Car parking and arrival**

We have plenty of on-site parking located behind the building within 20m of the entrance. There are no marked bays and parking is on a first-come-first-serve basis. If you have a specific access need, please contact the hostel before your stay. The car park has a slight slope and an uneven stone surface. It is well-lit by floodlights.

From here to the main entrance there is access across a loose stone path and onto the concrete forecourt. There are three well-lit steps without a handrail up into the porch. Guests can also be dropped off in front of the main entrance. If you let us know when you are coming, we'll do our best to assist with moving to and from cars.

## **Main entrance and reception**

There is no level access to the hostel. To enter the hostel, there is another step up through manual double doors which open inwards into the entry hall and reception area. There is a wooden bench inside the front door and the closest other seating is in the dining room about 10m from the front door along a level surface. If further seating in the entrance is required, please speak to a member of staff.

The reception area is well-lit and the floor is level throughout with laminate flooring. A portable induction loop is available on request at reception. A payphone is situated on the ground floor next to the lounge, accessed from reception by going up 3 steps with a handrail and through a single leaf door. In an emergency, outside of reception hours, a member of YHA staff is contactable via the emergency payphone.
