

Walkers Welcome

Walking is an increasingly popular activity while on holiday in the UK. For example, in 2003 over 45 million trips included short walks and 37 million included long walks or hikes.

The new UK wide scheme, which was developed with expert advice and support from the Countryside Agency and the Youth Hostel Association, will give walkers the confidence that they are booking quality accommodation that meets their particular needs. Simple common criteria for the scheme have been introduced along with several activity specific requirements.
