Thank you for choosing to walk from our hostel.
We hope you have a great time.

Exploring the cities and towns of England and Wales is part of YHA's heritage. Our city hostels provide a base to wander through parks and streets and discover history, culture, sights and attractions.

To make it easy for everyone to enjoy walking from YHA hostels, we have curated three walks – of differing levels of difficulty. They have all been graded – the higher the grade, the more challenging the route.

Remember:

- Check the local weather forecast (metoffice.gov.uk).
- Wear the right clothing for the route and weather and shoes that you can easily walk in.
- Download the OS Locate and what3words apps to your phone.
- Be considerate in residential areas or places of work.
- Take care when crossing busy roads and look out for cyclists.
- Dispose of litter properly in bins.
- Dog poo – bag it and bin it – any public waste bin will do
- Plan your adventure – know what to expect and what you can do.

In case of emergency call 999 and use OS Locate or what3words to provide a detailed description of your location.
